## Customer Reviews

This is great for the women who wants to have a great Party!!

Now I know what happens during bachelorette parties. I even have some great ideas on bachelor parties. Those looking for a great bachelorette party for their girlfriends will definitely find his book to be very useful.

This is a great read and useful guide for a woman planning a bachelorette party for a bride. Had I read this before my daughter was married, I would have recommended it to her maid of honor for her bachelorette party!
