Customer Reviews

This is an excellent book that gives the foundation for the world view of people of African ancestry. It explains how we perceives the world and humanity in a holistic manner and one in which the goal is harmony, peace, and productivity. Dr. Wade Nobles is a brilliant scholar.

Nobles' text grounds the reader in African traditions and thought as it pertains to the global African community and its psyche. Psychologists, spiritual leaders, scholars, and lovers of African culture will rejoice after reading and digesting Nobles' text. A MUST READ!

This is a must read. It is necessary from so many aspects. It will help take you from theoretical frameworks to practical application.

great book

my daughter needed this book for her class.
