Customer Reviews

I read the wonderful book. Louise change my life completly and I am thakfull. It contains the word`s that can heal your mind and soul especialy afirmations. I heard her advice and become one throe loving women. Now I still practicing and my life is fantastic. I now that is everything OK and it does. Luisa thak you, it isn`t weard that I want to meet you but I sand you lot`s of love and light that can help in your work. Your`s faitfully, Nevena

To those interested in the inner causes of diseases, this book will open a lot of possibilities to succeed in the health area, specially dealing with HIV infection and AIDS, but applies to other entities as well. Excellent book, thanks Louise.

Such a great book. I read this 4 years into my disease, and my health has taken a huge jump after reading this book.Changed my view on what I could accomplish to improve my health.

This book is amazing!
