Synopsis

The #1 Low Carb Diet Cookbook—° FLASH SALE + FREE GIFT, GET IT FAST! —„World Class Weight LossWelcome to the world's #1 low-carb weight loss diet. The ketogenic diet turns your body into a fat-burning furnace and helps create an optimal state of being.Join millions of others across the globe by ditching fad diets and turning to a proven solution which does not sacrifice taste or enjoyment of eating.90 Easy to Follow Ketogenic RecipesPacked into this book are 90 delicious keto recipes that you will absolutely love. That's a whole month of breakfast, lunch and dinner!30 Yummy Breakfast Recipes30 Luscious Lunches30 Delicious DinnersNutritional Information IncludedUnlike other cookbooks, our recipes include an exact calorie count broken down into fat, carbs and protein to ensure you stay on track for your goals.It's up to you if you want to use this or simply enjoy the meals, but it's nice to know it's there if needed.The ScienceYour body normally converts carbohydrates to glucose for energy. By limiting your intake and replacing it with fats, your body enters a state of ketosis.Here your body produces ketones created by a breakdown of fats in the liver. Without carbohydrates as your primary source of energy your body will turn to the ketones.This effectively cranks up the fat burning furnace and puts your body in the ultimate metabolic state.Beyond Weight ControlKeto has its origins in treating healthcare conditions such as epilepsy, type 2 diabetes, cardiovascular disease, metabolic syndrome, auto-brewery syndrome and high blood pressure.This diet will take you beyond typical weight control and into a new realm of total body health.Finally, A Diet You Will EnjoyForcing yourself to eat bland, uninspired meals is not a long-term solution to obtaining a healthy body. You will be more likely to relapse or even abandon your diet altogether.This ketogenic cookbook rekindles your love for food, meaning you will look forward to your every meal. When you enjoy what you are eating the results come easy!Free GiftFor a limited time only we are giving away 'Top 10 Ketogenic Diet Mistakes' so you can avoid costly errors and accelerate fat loss.Download now and read on your kindle, tablet, smartphone or computer.Tags: ketogenic cookbook, ketogenic diet, ketogenic recipes, ketogenic diet recipes, keto recipes, keto diet, keto, weight loss, diabetes, epilepsy, LCHF

Customer Reviews

People that opted for a low-carb lifestyle are actually making a life-or-death decision on their own lives. It does not help that there are a lot of misinformation around it, specially suggesting that you will have all sort of health complications because of it. Contains everything you might ever want to know about ketogenic dieting. This book gives totally honest information and is a must for anyone considering ANY diet. The information given will help you make decisions on how to diet and what to expect. Every aspect is covered and the "state of the art" is revealed so all may benefit. Brilliant book. So much information. I learnt a lot from this. Not only about a ketogenic diet, b

I never heard about this diet until i read and understand what i does. A good diet in not solution to anything in and of itself, it must be applied as part of a healthy lifestyle in order to see maximum results. Think of the ketogenic diet as the foundation of our new body. If we want to build something truly special on top of it then design our lifestyle with these goal in mind.This book has a lot of delicious recipes to try to start with the ketogenic diet. Almost all are easy to prepare and make so start with these and have a healthy life and living.

Ketogenic diet means forcing the body to burn fats instead of carbohydrates. Getting the body you wanted needs effort from you. But then again, no need to worry because these ketogenic recipes are absolutely delicious aside from being healthy. What I liked about this book is that it contains breakfast, lunch, dinner and the good part, desserts!

I totally love this book. I never knew that ketogenic cookbook like this is so easy to follow. I tried one of the recipes, All I can say is it is so Yummy and affordable. I'm feeling healthy without sacrificing my love for food. And also it is much delicious than what I cook last time. I will continue cooking foods with the recipes from this cookbook. Thumbs up!

I liked the variety of recipes provided by this book Everyone want to lose weight easily, in less time. This is a good book for all. Everyone will find some easy diet tips from this book which will help them to lose their weight. In this book author gave easy to follow diet charts. There are some delicious recipes in this book which has low fat. I liked the Dessertâ™s recipes most and also there is dinner and lunch. So if someone follows them they will definitely get good results. The book has complete diet plan that will help to lose weight without going to gym or home workout. This book will help people who regularly follow diet plans. Everyone would have some healthy foods recipes/tips from this book. I am definitely trying these.

This book is not just an ordinary food recipe, but it was designed to help people make the best diet with a positive outcome. What I liked the most about this book is that the author provided the general guidelines and instructions for every meal of the day, namely: breakfast, lunch, dinner and even added desserts for snacks. Also, in each recipe ends with a breakdown of key nutritional information, so someone will not be so conscious of the ingredients but rather will rekindle the love of foods. We don't have to avoid foods, but rather will love it even more. That was so great, wasn't it? Having a healthy body is what everybody wanted. So, this ketogenic diet recipe will surely help everyone to do their diet in healthy ways.

A lot of great information about a wonderful diet that gives you plenty of great foods to choose from. So if you are looking to lose weight and still want to enjoy your meal then this book could be right for you. I got this book to check out a effective meal plan. The diet is very high in fat, very low in carbs and protein since both of these can kick you out of ketosis in excess. The author has demonstrated expertise on this subject. Thank you and enjoy your meal and enjoy your day.

Hmmm. A+++ I can do this and not feel like i'm starving. I never looked into the high fat benefit so this is quite surprising and the recipes...DIVINE! Another gem for our kitchen Library! Be it dieting or not this is awesome. So many things even my children want to try. Delicious, healthy and fun. Here you have it!!!
